Standardizing Communications For Systems of Care

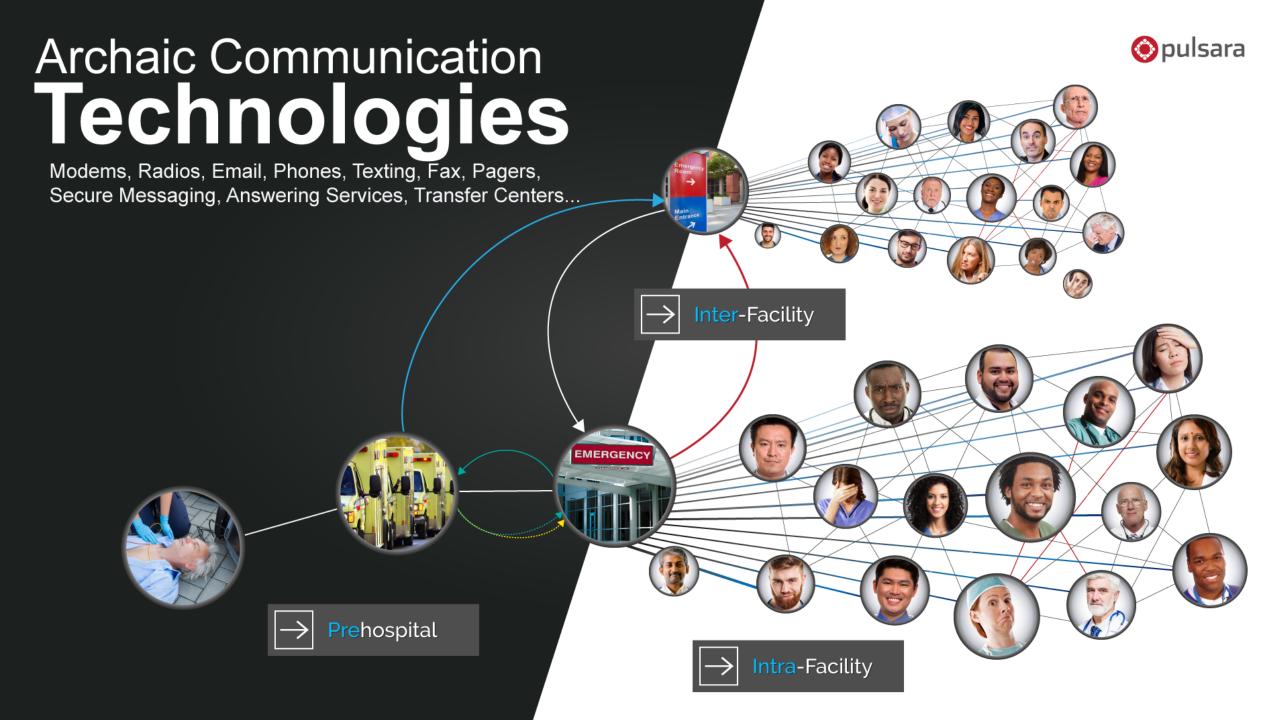

James T. Woodson, M.D. Founder and CEO | Pulsara

Patient Centric Healthcare A Failed Philosophy

Care Team = MULTIPLE Entities + Teams + Individuals

Ineffective Communication

WASTE

63% of Time on Patient Transfers

43% of Time on Emergency Response Coordination

70% of Treatment Delays

30% of Malpractice Cases

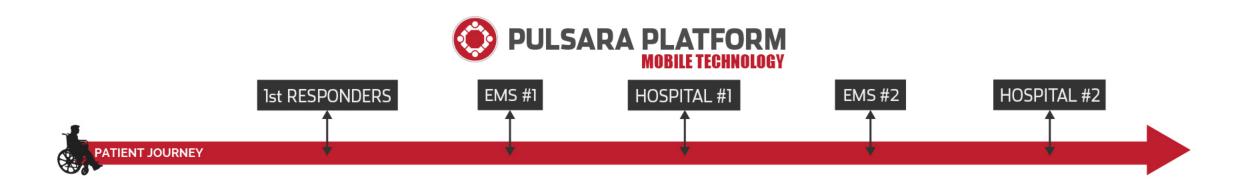

45 Minutes of Time Every Day by Clinicians

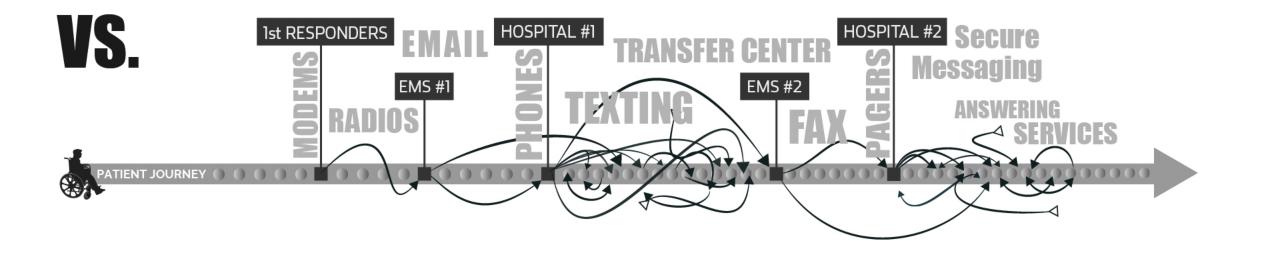

~2% of Hospital Revenues

Patient and People Centric Healthcare

We must focus on serving the patient and our fellow team members.

📀 pulsara

VSON Pulsara is the accepted evidence based standard of care.

HOW MUCH DOES IT COST?

IT'S ABOUT PEOPLE

The Quadruple Aim

Improve Provider Experience

 Improves communication and workflow, which create efficiencies leading to more positive work environment for providers

Reduce Health Care Costs

- Reduces unnecessary/redundant services and procedures
- Reduces LOS and readmissions

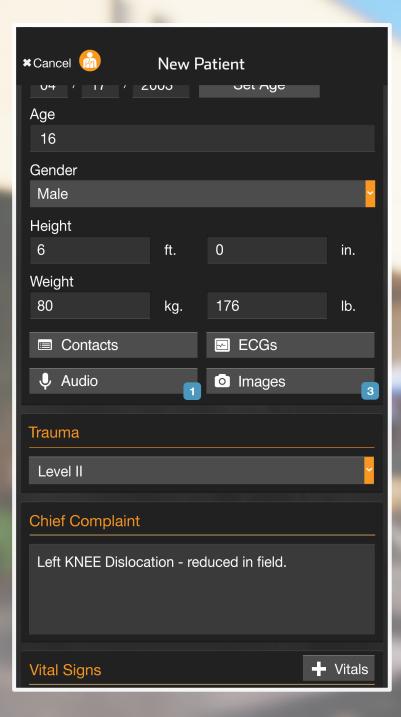

Improve Patient Experience

- Reduces time to treatment
- Improves care coordination

Improve Population Health

- Improves patient safety
- Improves Systems of Care
