To foster and support a workplace where people, processes, and technology work together seamlessly to fulfill the broader mission of NYP to provide innovative, patient-centered care.

Our focus is on . . .

the *employee*

and

sustaining *projects*

- Put the person at the center
- Transformation, supported by technology, is the goal
- Build buy-in -What's in it for me?
- Go beyond ROI to ROE

Build Individual Buy-In

DRAFT – DO NOT DISTRIBUTE

What's in it for my organization?

What's in it for me as a leader?

What's in it for me as an employee?

Moving beyond ROI

DRAFT – DO NOT DISTRIBUTE

- Graphic in development to discuss:
- ROI is not strictly financial / efficiency –
- What's the impact on the day to day experience of the employee? Of the Patient?
- How are you making someone's life better?
- Are you driving...
 - Trust?
 - Engagement?
 - Retention?
 - Employee safety?
 - Organizational reputation?
- Are you delivering on the WIIFM?

Where are we going next?
